EDUCATION

KG Reddy College of Engineering & Technology B. Tech (Computer Science) – CGPA: 6.63/10	2021 – 2025
Sri Chaitanya Junior College Intermediate (MPC) – CGPA: 7.0/10	2019 – 2021
Bhashyam Educational Institution Secondary Education (10TH) – CGPA: 8.3/10	2018 – 2019

EXPERIENCE

Full Stack Web Developer Intern Battrex Solutions	Dec 2024 – Mar 2025
Developed and deployed a responsive website using HTML and CSS, significantly enhancing user engagement and user experience (UX) with an intuitive and mobile-friendly design.	
Web Development Intern Orinson Technologies	Dec 2024 – Feb 2025
Designed and developed a personal profile website with responsive design and communication features, enhancing user interaction and user experience (UX).	
Artificial Intelligence & Machine Learning Intern Intrainz Innovation Pvt Ltd	Feb 2024 – Apr 2024
Designed and implemented a Machine Learning (ML)-based application to detect spam news with high accuracy, leveraging advanced algorithms to analyze and classify content efficiently.	

PROJECTS

Brain Tumor Detection Through CNN & Federated Learning	Jan 2024 – Jun 2024
- Developed a Convolution Neural Network (CNN) model for brain tumor detection with high accuracy, leveraging advanced image processing and computer vision techniques. - Implemented Federated Learning to enhance model training across decentralized datasets, ensuring data privacy and maintaining security during model development.	
Production Planning and Scheduling in Supply Chain Management	Jul 2024 – Apr 2025
- Developed and implemented production planning and scheduling strategies to optimize supply chain operations, enhancing operational efficiency and workflow management. - Utilized data-driven techniques to improve inventory management, reduce lead times, and minimize production costs, ensuring cost-effective operations.	

ACHIEVEMENTS

Smart India Hackathon Participant: Participated in the Smart India Hackathon at the state level, contributing to innovative problem-solving in a high-pressure, collaborative environment.
Telangana State Innovation Council Hackathon Participant: Participated in the Telangana State Innovation Council's Menstrual Waste Hackathon, developing a sustainable solution for menstrual waste management.

PUBLICATIONS

"Production Planning & Scheduling in Supply Chain Management" – In ICMM Conference, 2024.

TECHNICAL SKILLS

Front-End: HTML, CSS, JavaScript
Languages: Java
Frameworks: Spring Boot, Micro-Services, React.js
Databases: SQL, PL-SQL
Cloud: AWS
Tools: Git, Docker, Kubernetes, Jenkins
